

FOOT PLAN

If we have yours, don't fill this in. If not, please send an outline of both your feet and fill the information and we will put your Foot Plan on our file and list your purchases. This will enable us to see at any time your preferences in fittings and styles etc, to help us aim at sending you the right shoes.

HOW TO MEASURE YOUR FEET

Please wear nylons or socks. Be seated, and place plain paper on a hard floor. Use pencil - keep it upright, try not to exaggerate the outline of your feet. Send these facts to Christie Martin at the address below.
